

Great ideas!

Turn your portraits into creative gifts for loved ones. Here are a few unique ways to share your graduation portraits.

Magnet Mounts

Here's a fun gift idea! Create a set of magnets from wallet-sized photos as a gift for your relatives who love putting photos on their fridge! Customized with your name and grad year, or your own message, these gifts will bring a smile.

Announcement Cards

A great way to invite friends to your grad ceremony, or show your accomplishment to relatives far away! Your name, school and message are custom placed on these announcement cards. Use the "comments" section of the order form if you wish to change the standard text. These 4x8" cards come with envelopes.

Wall Portraits

You've spent several years of your life achieving this goal, so your grad portraits deserve to be displayed prominently on your wall! Our archival quality 11x14" and 16x20" Wall Portraits are given a UV-protective laminate and foamcore mounted to keep them looking great for years!

Frames are not included.

Other great services...

Graduation is only one of the many stages of life we capture. At New Light Photography our focus is on bringing creativity, fun, and lots of energy to our work in order to create top quality photographs that will grace your home for years to come.

Weddings - including destination weddings! - are a primary part of our business, and we take great pride in blending contemporary and traditional portrait styles into each couple's album.

If you are getting married, you can trust us to create a unique set of images just for you that show the joy and spirit of your celebration!

And there is so much more we can create with you! Portraits with your partner, family, for business or personal reasons - if you are in need of some beautiful images contact us! We'll make your memories smile.

GRAD

Ordering your portraits
from New Light Photography

Thank you!

Here are your portrait proofs! We sincerely hope you enjoyed your portrait session and now have some images that you would like to share with your friends and family. If for any reason you need your portraits retaken, please contact us - we want to make sure you are happy with the images you display!

A word about retouching...

Your portrait proofs are NOT retouched, but any prints you order will be enhanced to remove skin blemishes and reduce darkness under the eyes, shiny skin and wrinkles. This is applied automatically, but if you have any special requests please note them in the "Comments" section on your order form.

We can NOT remove braces, adjust your hairstyle, or change your clothing. Permanent facial features such as scars or moles are only removed at your request.

B & W or Colour?

Any of your portraits can be printed in your choice of B&W or Colour. There is no extra cost for this conversion, simply indicate your choice on the order form.

Before

After Retouching

How to order your portraits:

Once you've chosen your favourite images, of course you will want to share them! To order your portraits, you first need to find the image number on the back of your proof. When you turn over your proof portrait, you should see something like this:

Your "Image #" is the 3-digit number found right after your name.

Choosing sizes and options:

Portraits are sold by the "Portrait Sheet". There are five different configurations of Portrait Sheet, as pictured on the order form.

You may order from as many different images as you wish, in any of the five different sheets, but only **ONE IMAGE PER PORTRAIT SHEET**. Colour and B&W portraits should be ordered on different lines.

Total the number of sheets ordered and use the grand total to calculate your price; note that as you order more portrait sheets the price is reduced.

Additional products such as fridge magnets, Deluxe Wall Portraits, Image CDs or graduation postcards can be added to your order in STEP 2. Also, look in your proof envelope for any special offers! *

Image CDs:

Two different image CDs are available. The "Lo-res" CD provides images at 400x600 pixels, suitable for email and posting online. If you wish to print your own portraits, the "Hi-res" CD provides a significantly higher quality image.

In both cases you will receive one unretouched, unmarked copy of each photo in your session on the CD. If you order the image CD along with prints, you will receive the final retouched images from the portraits you order.
